Ref. Your letter dated -----/-----/2024

Sub: - NOC for Permission to repair work to be done in your Flat No._____.

Dear Sir,

This is with reference to your letter for permission of repair work to be carried out in your flat, society is giving you permission on the following terms and condition.

- (a) There shall be NO STRUCTURAL CHANGES IN THE FLAT. Also, you should not make any damages to column and beams in your flat.
- (b) Your contractor shall remove the debris of the work on a daily basis. You will ensure that there shall be no accumulation of debris within the premises.
- (c) You will undertake the repair work between 9.30 am to 6 pm subject to observation of silent hours of society.
- (d) The specified Silent Hours from 2 pm to 4 pm hrs. will be strictly observed without causing any disturbance or inconvenience to the other residents in the building. Repairs work is not allowed between silent hours. If any complaint receive from your neighbors in this regard work will be stopped immediately by society and no further permission will be granted to you to complete the remaining work
- (e) You should do in and out of material between 10 am to 6 pm only.
- (f) All your labours should make in and out entry in the inward register kept with security at main entrance gate.
- (g) You should ensure that the work is completed within the given time frame (as mentioned in your application letter) and with the help of skilled workers.
- (h) You should ensure that your labour will not keep water tap open during the period of work otherwise penalty will be levied to you.

We hope that you will complete the work by following above guidelines

Thanking you
